

Dental Tribune International

implants international magazine of oral implantology

implants international magazine of oral implantology (implants) covers the most significant developments in the field of implantology with the aim of providing comprehensive knowledge and information on the latest technology that can profitably be integrated into treatment concepts. The magazine presents the latest research and case studies, as well as pertinent industry news, trends in procedures and techniques, and the newest education and events. As the official publication of the German Association of Dental Implantology (DGZI) *implants* also informs about current DGZI activities and events.

implants is published quarterly (print run: 10,000 copies) and distributed at all major international congresses and exhibitions,

such as EAO, FDI and the GNYDM. In addition, *implants* is sent to opinion leaders worldwide (mainly the U.S., Middle East & Africa, Asia Pacific and Europe) and distributed at many specialty-specific events.

Regional editions of *implants* are available in Czech Republic & Slovakia, Iran, Italy, Poland and the US.

Please note: Complimentary PR as well as product and industry news are offered in support of advertising. The publication of clinical articles and case studies is limited in each edition. Therefore, submissions are subject to review and approval by the managing editor.
