

# cosmetic dentistry & facial aesthetics

*Cosmetic dentistry & facial aesthetics* is a new interdisciplinary magazine dedicated to the art and science of aesthetic enhancement. The publication goes beyond traditional cosmetic dentistry to cover a comprehensive range of beauty treatments, including invasive and non-invasive therapies such as plastic surgery, Botox, fillers and anti-ageing procedures.

With expert contributions from multiple fields, the magazine promotes a holistic approach to achieving outstanding aesthetic outcomes. It has a print run of 10,000 copies and extended digital reach via the Dental Tribune website, e-newsletters and social media. Free distribution at major interna-

tional congresses, exhibitions and online events further ensures global visibility.

Digital editions feature linked advertisements, while advertisers may also submit PR and product texts, clinical articles or case studies to support campaigns, subject to editorial approval. This combination of interdisciplinary content and targeted distribution positions *cosmetic dentistry & facial aesthetics* as a unique communication platform for aesthetic professionals worldwide.
