**Content_CAD/CAM**

---

**Editors Letter**

03 Never look back
_Gary Severance, DDS_

---

**C.E. Articles**

06 Case presentations and lessons learned
_Wally Renne, DMD_

12 Using in-office CAD/CAM technology and lithium disilicate to fabricate efficient and predictable restorations
_John C. Schwartz, DDS_

16 CAD/CAM technology: Setting the standard and achieving success
_Matthew Krieger, DDS_

---

**Abstract**

20 Marginal/internal crown fit evaluation of CAD/CAM versus press-laboratory all-ceramic crown

---

**Technique**

21 Complex restorative challenges with the E4D chairside CAD/CAM system
_Robert B. Mongrain, DMD_

24 How E4D and IPSD e.max revolutionized a family practice
_Carilee Kitchener, RDA_

---

**Clinical Perspective**

28 There is nothing to fear but fear itself: Don’t wait to invest in E4D
_Charles Fischer, DDS_

---

**Marketing**

32 With E4D chairside CAD/CAM, ‘old dogs’ can learn new tricks
_Paul Thompson, DDS_

---

**Finance**

34 Effective social media and marketing strategies in five easy steps
_Matthew Petchel_

---

**Opinion**

40 Signs of the times
_Jason J. Krause, MBA_

42 Tools for making prudent decisions
_Robert Willis, DDS_

---

**Industry**

46 The next ‘big thing’
_Bruce Lipsig_

50 Benefits and realities of incorporating E4D chairside CAD/CAM
_Matthew Felts, DDS_

---

**About the Publisher**

52 New CAD/CAM block from 3M ESPE

54 New adaptive learning technology for dental teaching institutions

56 Dedicated to advancing dentistry through education

---
