Cycle Slam is huge success

On St George’s Day, former England rugby international and World Cup winner Lawrence Dallaglio and England cricketing legend Freddie Flintoff embarked on the cycle ride of their lives.

The Dallaglio Flintoff Cycle Slam 2012 (supported by Virgin Media) began at the ancient birthplace of the Olympic Games, Olympia in Greece, on 23rd April. The journey stretched over 22 days, and took them through Italy, across the Swiss Alps and through France, before reaching London on 18th May.

JHA’s very own Dr Alyn Morgan, endodontist at U Dentistry in Ilkley, joined Freddie and Lawrence for the last of the five stages of the ride. He undertook this massive challenge in order to raise donations for three fantastic charities – the Dallaglio Foundation, the AF Foundation and Virgin Unite.

A huge congratulations to Alyn and everyone else who took part in this incredible achievement!

Dental practice offers award for young endodontists

The Harley Street Centre for Endodontics is launching the Young Dentist Endodontic Award 2012. Marking the 10th Anniversary of the Centre, the award is open to any young dentist who graduated in the last three years, whether they are in their Foundation Year or just starting out on their career. Applicants are invited to submit a case report of their best endodontic treatment so far. An application form can be downloaded from: www.roottreatmentuk.com.

In addition to the national recognition that the award will bring, there are five outstanding prizes to help the top applicants develop their endodontic skills further. First prize is the new WaveOne Endodontic Motor, hand piece and accessories kit, from Dentsply UK and the second prize is a Morita Root ZX apex locator from Quality Endodontic Distributors(QED). Three further runners up will win a pair of endo-benders from SybronEndo.

The application process is simple - Dentists are asked to submit details of one endodontic case which showcases their ability. The deadline for applications is 2 September 2012.
