As you gear up for the 2011 Greater New York Dental Meeting (GNYDM), consider checking out programs you may have missed at last year’s meeting, which was a great success, attracting more than 2,000 registrants.

As the official online education partner of the GNYDM, an event that draws many from the international dental community, Dental Tribune Study Club (DTSC) hosts a focused lecture program on the exhibition floor.

In case you were not able to attend last year’s program, you may view all of the presentations online. Each lecture was recorded and archived at www.dtstudyclub.com as a C.E.-accredited webinar. Please visit www.dtstudyclub.com/courses/all where the following archives can be found:

Furthermore, the recorded lectures from the GNYDM’s Live Dentistry Arena can also be found at www.dtstudyclub.com/gnydm-live.

For the fourth year in a row, dentists can enjoy the DTSC symposia at the GNYDM, which will include four days of focused lectures in various areas of dentistry.

Each day, from Nov. 27–30, will feature a variety of presentations on topics that will be led by experts in that field. Participants earn ADA CERP C.E. credits.

Additional details and registration for the 2011 DTSC Symposia at the GNYDM can be found at www.dtstudyclub.com.
