DANAHER opens MEA Office in Dubai Healthcare City

By Dental Tribune MEA

Dubai, UAE: Danaher is a global science and technology innovator committed to helping its customers solve complex challenges and improving quality of life around the world. Its family of world class brands have unparalleled leadership positions in some of the most demanding and attractive markets, including health care, environmental and industrial. The company’s globally diverse team of 66,000 associates is unified by a common culture and operating system, the Danaher Business System. In 2013, Danaher generated $19.1 billion in revenue and its market capitalization exceeded $50 billion. For more information please visit www.danaher.com.

Dental Tribune MEA had the pleasure to attend the opening of the Danaher MEA offices at Dubai Healthcare City and shortly interview James Lico, Executive Vice President Danaher and Alex Joseph, President Middle East and Turkey, Danaher Corporation on their thoughts for the region.

What does the opening of the MEA office in Dubai Healthcare City mean for Danaher?

A. Joseph: The opening highlights our commitment to the Middle East and is the direct result of the growth we are experiencing in the region.

And how important is it for you to have an office in Middle East and Africa?

J. Lico: As Alex mentioned, the region is incredibly important for us. Unlike many companies who focus on just selling to the region, for us it is important to be close to customers and build up the capability of our team locally so we can serve customers. The opening of this office really proves we not only want to do business in the region but invest in the long run to serve our clients.

Danaher celebrates together with the Dental Division the opening of the new MEA office.

And how important is it for you to have an office in Middle East and Africa?

J. Lico: As Alex mentioned, the region is incredibly important for us. Unlike many companies who focus on just selling to the region, for us it is important to be close to customers and build up the capability of our team locally so we can serve customers. The opening of this office really proves we not only want to do business in the region but invest in the long run to serve our clients.

SAUDI DENTAL SOCIETY

“The Saudi Dental Society Annual Conference: Innovative Digital Solutions in Dentistry”
By Centre For Advanced Professional Practices

DUBAI, UAE: The 6th Dental-Facial Cosmetic Int’l Conference 2014 took place on 14-15 November 2014 closing with a total of 1,527 participants in Jumeirah Beach Hotel Dubai.

The Event
Organized by Centre For Advanced Professional Practices (CAPP), Emirates Dental Society (EDS) and Lebanese Dental Association (LDA). The event stretched over 5 days including a 2 day conference, 12 Hands-Courses and a Dental Hygienist Day. Newcomers, providers and experts from 54 countries gathered for the 6th time a great number of attendances.

There was support from 15 sponsors including Sirona, Ivoclar Vivavent, SMESPE, Planmeca, Oral-K, KaVo, VITA, KERR, Carestream, Southern Implants, Ritter, MPC and Philips Sonicare.

The Scientific Program
Dr. Mumir Silwadi, the conference chairman and scientific program advisor introduced a total of 24 international speakers who shared their experiences within the fields of Dental and Facial Cosmetics. “A unique blend of science, clinical knowledge, and cutting edge technology in the field of dentistry and beyond. All of us, organizers, speakers, and sponsors spared no time or effort to bring to you the most up to date developments in the various fields of dentistry.” – Dr. Mumir Silwadi.

Hands-On Courses
A total of 12 Hands-On Courses took place between 12-16 November 2014. Topics included:

- Indirect Venere, Veneers
- Crowns, Direct Venere, Laser in Modern Day Practises, Esthetic in Same Day Dentistry,
- Face & Smile Analysis, Polishing
- Whitening

Dental Hygienist Day
Dental Hygienist Day took place on 15 November 2015. Dr. George Sanoo was the Chairman of the Scientific Program which included topics from oral health and orthodontic management, communication, polishing, whitening and sharpening.

Save The Date 2015
In 2015, CAPP will celebrate its 10th Year Anniversary of providing top quality continuing dental education in the Middle East and Asia region. This milestone will be celebrated at the 10th CAD/
