Dentsply Sirona: Merger Creates the Dental Solutions Company™

By Dentsply Sirona

YORK, PA USA/AUSTRIA: Dentsply Sirona Inc. (NASDAQ: XRAY) today announced that it has successfully completed the merger of equals between DENTSPLY International Inc. (“Dentsply”) and Sirona Dental Systems, Inc. (“Sirona”). The merger of DENTSPLY, the market leader in dental consumables and Sirona, the market leader in dental technology and equipment, creates the world’s largest and most diversified manufacturer of professional dental products and technologies. Dentsply Sirona will have leading positions and some of the most well-established brands across consumables, equipment, technology, and specialty products to address the needs of dental professionals, specialists and dental labs. Each day, approximately 600,000 dental professionals will...
use a Dentsply Sirona product(s). With the largest R&D platform in the industry, Dentsply Sirona will develop and support innovative end-to-end clinical solutions that advance patient care.

Total Solution Provider
By combining DENTSPLY’s consumables platform with Sirona’s technology and equipment, the new company offers more products and integrated solutions than any other dental organization. Dentsply Sirona’s wide array of products for dental professionals and labs enable the treatment of general and specialty procedures including implantology, endodontics, and orthodontics. With the broadest clinical education platform in the industry, the company is driving the adoption of new and approved technology and integrated solutions for more efficient workflows. Customer service and satisfaction will remain a key value to the new company and will be supported by the industry’s largest sales and service infrastructure comprised of direct sales and leading distributors.

The Intelligent Solution
Exceptional performance, at an everyday price

Adapts to every patient – just like you!
A cost-efficient and easy-to-use system made to adapt to your requirements. High image quality in 2D and 3D, with 4 FOV and 4 individual resolution options, including Dose Reduction Technology. It’s the Gendex way of doing things!
