AAPD takes full advantage of Seattle location

Welcome reception features exclusive access to Space Needle, EMP Museum

Some of the top thought leaders in pediatric dentistry will be in Seattle May 21–24 for the American Academy of Pediatric Dentistry (AAPD) annual session.

Scientific sessions will be at the Washington State Convention Center, in the heart of downtown, adjacent to hotels, restaurants, nightlife and shopping. There are offerings for dentists, dental-team members and spouses. The AAPD is an ADA/CERP-recognized provider, with C.E. credit available on an hour-for-hour basis for most education sessions.

Taking advantage of the location, the welcome reception on Thursday, May 21, will include exclusive access to the Space Needle, EMP Museum and Chihuly Gardens.

The keynote, on May 22, features Frank Abagnale with "The True Story of Catch Me If You Can." An authority on forgery, embezzlement and secure documents, Abagnale became an expert of sorts 40 years ago as a world-famous con man, as depicted in his best-selling book, "Catch Me If You Can." Leonardo DiCaprio and Tom Hanks starred in a Steven Spielberg film based on the book.

Three-day exhibit hall

Products and services in the meeting’s exhibit hall will be geared toward pediatric dental practices. The main AAPD booth (No. 517) will have a bookstore, which will have copies of the Handbook of Pediatric Dentistry available as a souvenir from this year’s annual session. Also in the AAPD booth you can get an update on the evidence-based dentistry guidelines and other EBD resources.

Also in the exhibit hall will be the Healthy Smiles, Healthy Children Donor Lounge, where you can learn more about Access to Care Grants and donate to the cause’s supporting foundation.
