Attendees enthusiastic about IACA 2012 annual meeting

More than 800 dental professionals from around the world attended the International Association of Comprehensive Dentistry (IACA) annual meeting. The event was July 26–28 at the Westin Diplomat Resort and Spa in Hollywood, Fla. Most of the attendees were returning members, and many reported that this was the best meeting yet in the IACA’s eight-year history.

One first-time attendee said, “As my first IACA, the whole atmosphere and caliber of people was much more than I anticipated. [while] I’d heard a lot from people who have attended nearly all, if not all of them, I still didn’t expect it to be as good as it was. I got so much good and benefited from not only the lecture series, but from talking to other people who shared a little piece of themselves, which helped me change the way I do things. I just had the best time. It was well run and [included] lots of fun. This was the best dental meeting in the world!”

Next year’s meeting is in Calgary, Alberta, Aug. 1–3. For more information, visit www.theiaca.com, or call (866) NOW-IACA.
