Confirmed speakers at Clinical Innovations

Dr Julian Webber

A lthough trained in a private practice in Regent's Park, London, Dr Julian Webber is on the GDC specialist register for Endodontics and is Head of Restorative Dentistry at the Royal Hospitals. He is also a consultant in Periodontology. After five years in general practice, he moved to the USA to specialise in Prosthodontics at Louisiana State University, School of Dentistry.

In 1998, he became Editor-in-Chief of Endodontic Practice, a clinical endodontic journal. Julian will be speaking on Management of Endodontic Failure.

Dr Trevor Bigg

Dr Trevor Bigg has been working in private practice in West Oxfordshire for nearly 40 years and has treated up to four generations of some families. He operates a general practice and takes referrals for cosmetic dentistry, the non-invasive restoration of the worn dentition and treatment of Temporomandibular Dysfunction (TMD).

He was a tutor to the Central London Study Group for five years with MIDS students and mentor practitioners who are taking the FFGDP(UK). Dr Bigg lectures at home and abroad on crown and bridge updates, posterior and anterior composites, bleaching and Minimal Intervention Dentistry. He also runs day ‘hands-on’ courses for Denplan and Dentists on Contemporary Aesthetic Dentistry and presented a Smiles-On webinar on Bleaching. Dr Bigg holds a membership in General Dental Surgery at the Royal College of Surgeons, London and Fellowships from the College of Surgeons in Edinburgh and London and is a Past-President of the British Society for General Dental Surgery.

Trevor will be speaking on Progressive Tooth Whitening Processes.

Dr Wyman Chan

Dr Wyman Chan is a wet-handed teeth whitening dentist and treating around 1,000 patients every year in his dedicated teeth whitening Centre, and spend the rest of his time on research. He lectures internationally and runs regular hands-on power whitening seminars in London.

Dr Edward Lynch

Edward is Head of Restorative Dentistry and Gerodontology at Queen’s University Belfast and is also Consultant in Restorative Dentistry in the Royal Hospitals. A specialist in endodontics, prosthodontics and restorative dentistry, he is also on the editorial board of numerous international journals and has published more than 450 publications. Professor Lynch is very much a ‘wet gloved’ academic, treating many specialist referrals every week.

Edward will be speaking on Making pretty teeth is the easy part.

Clinical Innovations Conference (CIC) will be held on the 7-8 May at the Royal College of Physicians in Regent's Park, London. For more information call 020 7400 8989 or email info@smile-on.com
