The International Foundation for Oral Design will be hosting the “2011 Symposium” in London, over three days from Friday 6th to Sunday 8th of May 2011. The symposium will comprise of lectures on the Friday and Saturday and will be aimed jointly at both technicians and dentists, with the majority of presentations being co-presented by dentist-technician teams. The meeting will be held at Central Hall Westminster, by the Houses of Parliament, and there will be a hands-on program for Dental technicians and Dentists at Guy’s Dental Hospital on the Saturday and Sunday. There will be an extensive trade show during the conference and, during breaks, Oral Design members will be sited between some of the stands doing mini master classes to attract the delegates to the trade show.
