Implantology Mini Residency

ONE year Surgical & Restorative Implantology Course
with Dr Mark Hamburger, Specialist Prosthodontist

An implant course to provide you with the necessary knowledge and skills to start a successful career in implants. The course is aimed at general dental practitioners looking to integrate implant dentistry into their patient care.

The course provides:
- All necessary education to comply with the GDC guidelines as set out by the Faculty of General Dental Practitioners, UK and the Royal College of Surgeons, England, in the document entitled: Training Standards in Implant Dentistry for GDP’s 2008 (download at GDC.gov.uk).
- Compliant with GDC guidelines for 185 verifiable CPD points.
- Benefit from over 20 years of clinical knowledge & experience.

The course:
- 18 full days spread over a 14 month period, located in Harley Street, London.
- Maximum of eight candidates per course.
- Each candidate will place and restore at least two implant cases under the direct supervision of Dr Mark Hamburger. In addition: treatment planning, surgical and restorative observation of all course patients.
- Guest speakers:
  - Dr Henri Thuau, Consultant Maxillo Facial & Oral Surgeon
  - Dr Jo Omar, Medical Emergencies and CPR
