Something to Smile about!

SmileGuard is part of the OPRO Group, internationally renowned for revolutionising the world of custom-fitting mouthguards. Our task is to support the dental professional with the very latest and best oral protection and thermoformed products available today.

- Custom-fitting Mouthguards – the best protection for teeth against sporting oro-facial injuries and concussion.
- OPROshield – a self-fit guard enabling patients to play sport whilst awaiting their custom-fit guard.
- NightGuards – the most comfortable and effective way to protect teeth from bruxism.
- Bleaching Trays – the simplest and best method for whitening teeth.
- Snoreguards – snugly-fitting appliances to reduce or eradicate snoring.
- OPROrefresh – mouthguard and tray cleaning tablets.

In 2007, OPRO was granted the UK’s most prestigious business award, the Queen’s Award in recognition of outstanding innovation.

*SmileGuard – the first to provide independent certification relating to EC Directive 89/686/EEC and CE marking for mouthguards.

Your first line of defence

Every dental surgery should be equipped to enable the dentist or trained DSA to administer resuscitation. The Tricodent Emergency Resuscitation Kit is easy to identify and put into immediate use. Patients in the surgery or waiting room who suffer cardiac arrest, cardiovascular collapse, respiratory arrest or an acute allergy condition may be given oxygen or an oxygen-enriched air supply to revive them using the self-reinflating bag.

The kit is supplied complete and ready to use with a fully charged 340 litre oxygen cylinder with multi-flow regulator, resuscitator bag and guedel airways. All components can be purchased separately & the Kit/Cylinder can be rented. Tricodent also provides a full servicing and re-filling package to ensure that your practice always has an appropriate level of emergency cover.
