We deliver a specialist legal service tailored to the needs of the dental profession.

As a legal firm providing a specialist service to the dental profession, it is important that we employ the right people to ensure we complete the job in a prompt, supportive and effective manner, first time, every time... that's why we employ people like Sunil Abeyewickreme.

Sunil is a qualified Barrister who prior to joining Cohen Cramer spent four years working the legal advisory department of the British Dental Association. His expertise in matters such as employment, contracts, associate agreements, expense sharing agreements and disputes with PCT's is invaluable both to us and our clients.

DENTAL TRIBUNE United Kingdom Edition • August 7-13, 2009
London Deanery 2009/10

Infection Control

1st or 2nd October 2009 at the Royal College of Obstetricians & Gynaecologists, Wimpole Street, London

A full day course open to the whole dental team

The course will cover:

- Risk Management and the essentials of infection control
- The regulatory framework and practical aspects of instrument decontamination, and the use of sterilisers
- The prevention of biofilm formation and management of contaminated dental unit waterlines
- Impact of emerging pathogens on infection control in the dental surgery

“Very good organized course”
“reinforced my knowledge”
“All parts of the course were extremely useful and well presented”

Dental Law & Ethics

14th October 2009 at the Royal College of Physicians, Regents Park, London

A full day course open to the whole dental team

The course will cover:

- Basic law of clinical negligence, consent and disclosure of records
- How to deal with complaints and litigation

“All lectures were relevant to every day practice”
“very useful to have lawyers presenting”
“very well laid out course, lots of information”
“good mix of speakers”
“well structured programme with good handouts”

Radiology, Core of Knowledge

19th March 2010 at the Royal College of Surgeons of England

A full day course open to the whole dental team

The aims of this course are to provide dental practitioners with an update course in dental radiography and radiation protection, a Core CPD subject as recommended by the GDC in 2006 and covering the R4ME topics specified in the Department of Health’s 2001 Guidance Notes booklet.

“a well run course that was interesting and full of lots of easy to understand information”
“very dynamic speakers”
“information applicable to everyday use of radiography”

* SmileGuard - the first to provide independent certification relating to EC Directive 89/686/EEC and CE marking for mouthguards.

SmileGuard is part of the OPRO Group, internationally renowned for revolutionising the world of custom-fitting mouthguards. Our task is to support the dental professional with the very latest and best oral protection and thermoformed products available today.

Custom-fitting Mouthguards* – the best protection for teeth against sporting oro-facial injuries and concussion.

OPROshield – a self-fit guard enabling patients to play sport whilst awaiting their custom-fit guard.

NightGuards – the most comfortable and effective way to protect teeth from bruxism.

Bleaching Trays – the simplest and best method for whitening teeth.

Snoreguards – snugly fitting appliances to reduce or eradicate snoring.

OPROrefresh – mouthguard and tray cleaning tablets.

In 2007, OPRO was granted the UK’s most prestigious business award, the Queen’s Award in recognition of outstanding innovation.

Something to Smile about...

We are pleased to announce the following pan-London core courses for London Deanery 2009/10.
