Dental Loupes for students

Final year dental students stand to benefit from an exclusive finance deal from the British Dental Association (BDA) to purchase dental loupes to encourage them to develop healthy and effective working practices right from the start of their career.

The loupes are part of a special new membership benefit offered for students, which also includes free BDA membership for their final year of study, worth £45, and half price membership for their first year after graduation, worth £112.50.

The loupes scheme, which is supported by DF Medical Systems and Nuview Ltd, reflects the BDA’s commitment to supporting students and young dentists at the start of their professional life, with prices for loupes ranging from £57.50 to £74 a month over a period of 24 months.

Peter Ward, the BDA’s chief executive, said: ‘We greatly value our growing student membership and want to do all we can to help individual students as they begin their career. Dental loupes are an important piece of equipment for dentists, providing magnification to make treatment easier and improving posture. We want to encourage young dentists into good working habits right from the start of their career and we are delighted DF Medical Systems and Nuview are supporting this initiative.’

Company, DF Medical (www.dfmedical.co.uk) has been a leading dental magnification specialist for over 20 years and is the exclusive UK distributor of Surgitek/Oakley loupes and Global Dental microscopes. It has recently added Kofakl Dental Imaging systems to its portfolio.

The companies, together with the BDA, are planning to visit every fifth year dental student group across the UK during the autumn and spring terms, in order for them to get the opportunity to try out the loupes for themselves.

For further details ring Laura Thompson on 0161 638 8615 or email students@bda.org.

Nuview Ltd (www.nuview.co.uk) is a private UK company specialising in dental illumination and magnification and is the exclusive distributor for Carl Zeiss loupes and microscopes.

The British Dental Trade Association (BDTA) has announced the winner of last year’s Showcase prize draw to the Magic Kingdom at the Disney World Resort Florida.

Lisa Bates, a dental nurse at B V Nuttall Dental Health Ltd in Sheffield, was the lucky winner, who was delighted to win the prize especially for her 11-year-old son Joe.

The winner will be whisked off to cook traditional Italian cuisine and experience local delicacies in the resort of Giardino della Esperidi, which took place last weekend, wins a trip to the Sorrento Cooking School in Italy, in accordance with this year’s, Recipe for Success theme.

The winner is then invited to the clinic to either discuss their individual case further or to receive treatment.

Following the success of its Climb Kilimanjaro trek last year, Bridge2Aid is now offering adventurous fundraisers the ultimate challenge of climbing the mountain, from August 20 to 30, 2009.

Participants are aged from 18 to 70, although most are aged between 50 and 55. Those taking part must agree to fundraise £2,950.

They need to register and send a deposit of £250. People on the trek need to get a medical certificate from their GP certifying that they are fit enough to take part. Training weekends will be set up to help candidates prepare for the climb, which will encompass all weathers from hot and dry to cold and wet.
