SMILEGUARD

Something to Smile about!

SmileGuard is part of the OPRO Group, internationally renowned for revolutionising the world of custom-fitting mouthguards. Our task is to support the dental profession with the very latest in oral protection and thermoshaped products available today.

- Custom-fitting Mouthguards – the best protection for teeth against sporting and facial injuries and concussions.
- OPROShield – a self-fit guard enabling patients to play sport whilst wearing their custom-fit guard.
- Nightguards – the most comfortable and effective way to protect teeth from bruxism.
- Bleaching Trays – the simplest and best method for whitening teeth.
- OPROBreathe – mouthguard and tray cleaning tablets.

In 2007, OPRO was granted the 16th most prestigious business award, the Queen’s Award in recognition of outstanding innovation.

A ONE YEAR MODULAR COURSE IN
RESTORATIVE DENTISTRY 2011

Now in its fourth successful year, this course has revolutionized the teaching of restorative dentistry. The combination of an increase in knowledge and practical skills will bring high quality dentistry into your ‘comfort zone’. There is one single feature that all delegates who have completed this one-year course have acquired – confidence!

Set in central Leeds, the course utilizes the high spec phantom head room in The Leeds Dental Institute for all its practical sessions.
