2009 Is The Year For BioHorizons

BioHorizons are worldwide distributors of pioneering implant products and are constantly developing new exciting ideas. They believe education is fundamental to the success of any business.

2009 will see a whole host of implant courses that professionals will not want to miss.

The BioHorizons Surgical & Restorative Implant Training Course will take place one Saturday a month from January to October. It will concentrate on the surgical and restorative aspects of dental implantology.

Dr Michael McCracken will be returning to present the Surgical Placement & Restoration of Dental Implants course. The ‘Sinus Grafting & Posterior Maxilla Implant Dentistry’ will also be returning with fresh, new lecturers.

Taking Technicians To The Top

‘Luke Barnett The Precise Art of Technical Dentistry’ were proud to sponsor the British Academy of Cosmetic Dentistry (BACD) Fifth Annual Meeting held in Birmingham on the 13th to the 15th November 2008.

Luke Barnett began his career in Technical Dentistry and specialised in dental ceramics. He set up his own business in 1985, now a state of the art facility in Watford, Hertfordshire. Luke is on the Sub Committee and Board of Examiners with the BACD and the Laboratory Committee Board of Directors, and a sustaining member of the American Academy of Cosmetic Dentistry.

Whilst being passionate about general Crown and Bridge work, his approach to cosmetic dental treatments involves careful planning for minimally invasive solutions.

The BACD is open to all dental professionals including dental technicians who play an increasing role in today’s cosmetic treatments. Luke’s BACD lecture highlighted significant education and professional development.

No Pain is your gain!

Look across any practice or reception area and the chances are you’ll see staff slouched on their chair in a position guaranteed to deliver a lifetime of bad backs, sore necks and painful shoulders.

Over 9.5 million working days are lost annually in the UK due to back problems and most of these could be saved by sitting in a better position more of the time.

Sitting in comfort whilst working is easy to achieve with the ergonomically designed Dynam seated and InCharge stools from Evident. These wonderful stools automatically correct your seating position, providing the perfect balance, maximum support and comfort, ensuring you work in comfort all day long.

We are so confident you’ll benefit from sitting on a Dynam Seat or InCharge stool, we’re offering a Free 2 week in-use trial, so you can see for yourself the fantastic benefits of sitting comfortably.

The Dynam seated and InCharge stools will also have an impact on your practice as they are available in a variety of styles and colours, however they won’t have an impact on your bank balance as they are remarkable value for money.

IDH Celebrate 10-Year Milestone

Integrated Dental Holdings (IDH) would like to congratulate the Keighley team reaching their 10-year milestone. Being committed to professional standards, achieving results and always working as a team are just some of the qualities that have helped the Keighley team achieve this monumental success.

As one of the UK’s leading dental groups with 2 million patients and a network of over 250 practices nationwide, IDH offer outstanding resources and support with patient-focused practices and always offer superb service.

This is an incredible accomplishment and IDH would like to thank the team for all their effort and dedication. They have worked extremely hard and put in a lot of work to make this development a reality. They have shown standards, achieving results and always working as a team are just some of the qualities that have helped the Keighley team achieve this monumental success.
