Dr Harris Sidelsky
Harris is a registered specialist in prosthodontics. For many years he has been a sought after speaker on the lecture circuit. Until recently he was the primary post graduate speaker at a leading London teaching hospital in cosmetic dentistry and minimal invasion dentistry, oneth of the world’s largest teaching hospitals. Between the teaching hospital and the hospital he was the clinical director of a teaching hospital in oral rehabilitation, minimal invasion dentistry, cosmetic dentistry and adhesive dentistry. His teaching style is known to be able to relate and communicate with the general practitioner. What he communicates is appropriate and applicable.
