Water Pik, Inc. to launch the new Nano® Water Flosser at 2011 BDA Conference

Delegates attending this year’s BDA Dental Conference & Exhibition should be sure to make their way to the Waterpik® stand (A5) for our offers on a selection of the launch of the brand new Waterpik® Nano® Water Flosser.

The latest revolution in ergonomic dental irrigation, the Waterpik® Nano™ Water Flosser is compact, energy efficient and quiet, allowing patients to enjoy all the benefits of interprophylactic cleaning and effective plaque biofilm removal without the problems associated with traditional string floss.

Like its predecessors the Ultra and Cordless Plus Water Flossers, the Nano™ is clinically proven to be twice as effective as traditional string floss in removing plaque biofilm.

Normally retailing at £49.99, BDA conference attendees will be able to pick up their free sample Nano™ by attending the Waterpik® seminar. Details and vouchers will be available from the Waterpik® stand (A4).

Committed to patient oral health, Water Pik, Inc. is proud to be launching the Nano™ Water Flosser exclusively to BDA delegates.
