BioHorizons presents its European Symposium

BioHorizons invites you to join an international group of well respected speakers for its European symposium in Rome between 18 and 20 October 2012. Addressing a wide range of dental implant topics including implant aesthetics, implant complications and tissue regeneration, the symposium presents the perfect opportunity to stay on top of the latest treatment options and remain aware of what techniques and products are supported by peer-reviewed research.

The event will include presentations from Carl Mitch, Michael Pikos, Jack Ricci, Sonia Loopy and Brash Miller.

Also, expanding on previous years’ offerings, the 2012 schedule incorporates a biologic forum on the Thursday afternoon (19 October).

To find out more about this exciting event, including details of the topics to be covered, please visit www.biohorizons.com/symposium-series-Roma-2012.aspx.

For further details about BioHorizons, a company dedicated to developing evidence-based and scientifically proven products, visit www.biohorizons.com, call 01344 753630 or email info@biohorizons.com.

The ANY intraoral camera allows them to learn more about their oral health and monitor their oral health on their own television.

Exclusive “ANY” Intraoral Camera lets patients monitor their oral health on their television

The “ANY” intraoral camera, from Costech, is a multipurpose device that can be linked to a standard multipurpose device that can be linked to a standard television to allow private viewing of the intraoral images by patients. Costech Elite® has launched its new and exclusive range of ThankYou Impress Trays. Dental practitioners can use a novel approach that ensures the volume is intra-implant success.

The Hydrosonic Electric Toothbrush gives a full-mouth clean

Exoffic® Elite® has launched its new and exclusive range of ThankYou Impress Trays. As some dentists have been found to be excessive impression trays, at considerable risk to their patients, Costech Elite® is providing the trays to all of its loyal customers for free, setting a new benchmark for value.

The ratelike aims to remove the financial burden of replacing disposable-day to-day equipment from dentists, and to ensure that they dispose of impression trays after using them. Reusing the trays carries a significant risk of cross-patient contamination.

Available exclusively from Costech Elite®, ThankYou Impress Trays prevent an exceptional reduction in materials and equipment costs, enabling practitioners to offer patients the smile they want without compromising safety, at a price that can’t be beaten.

For more information on how CostechElite® can help you, call 01474 320 076 or email info@costech.co.uk.

The Inman Aligner

The Inman Aligner is a revolutionary appliance that has been clinically proven to provide patients with an effective alternative to traditional braces.

For more information please call 01480 826048, email info@curaprox.co.uk or visit www.curaprox.co.uk.
