W&H: People Have Priority.

Now is the ideal time to try the new and exclusive range of Thank You Impression Trays, using a novel approach that has ensured the range is an immediate hit with dentists.

As some dentists have been found to be using impression trays, considerable risk to their patients. CoCtech Elite is providing the trays to all of its local customers for free, setting up a programme of education and training.

The initiative aims to remove the financial burden of replacing disposable day-to-day equipment from dentists, and to ensure that reusing the trays carries a significant risk of cross-contamination.

Availabe exclusively from CoCtech Elite, Thank You Impression Trays present an exceptional reduction in materials and equipment costs, enabling practices to offer patients the smile they want without compromising safety, at a price that can’t be beaten.

For more information on how CoCtech Elite® can help you, call 01474 320 076 or email info@costech.co.uk.

The Curasept ADS (Anti-Discolouration System) range of oral healthcare products from Curaprox are a winning combination for effective long-term plaque control. Harnessing the benefits of Chlorhexidine (CHX) without the drawbacks, Curaprox ADS is a powerfull ally in the fight against disease-inducing oral bacteria. Side effects typically associated with CHX-based products include staining of the teeth and tongue, altered taste perception and unsettling tingling sensations. Available in two strengths (0.2 per cent or 0.05 per cent CHX), Curaprox ADS avoids these unwanted effects while providing gentle yet efficient treatment for plaque reduction, preventing relapses and delaying plaque formation.

Sensitiv patients, or those who have undergone oral surgery, will particularly appreciate Curaprox ADS mouth rinse, as it is alcohol-free and won’t irritate the oral mucosa.

The Curaprox ADS family of products also includes a gel formulation (0.1 per cent CHX) and toothpaste, which is sodium laureth sulphate-free. Easy to use and mild on patients’ mouths, Curaprox ADS helps patients of all ages to maintain a healthy mouth.

For free samples or for more information please call 01480 828048, email info@curaprox.co.uk or visit www.curaprox.com.
