**Raising Finance?**

**DO** engage the services of an independent firm to liaise with the Banks on your behalf – will ensure proposal is packaged for best chance of a positive response and also to negotiate best terms.

**DO** ensure you provide an accurate summary of your current position including all savings and existing borrowing.

**DO** ensure your CV is up to date with particular focus on any past managerial experience.

**DO** expect the Bank to want you to put down a contribution towards the purchase.

**DO** undertake your own research of the local area and find out why the current owner is selling.
