Dental Hygienist Rhianon Jones tackled the subject of “Dry mouth and its impact” in a lecture sponsored by GlaxoSmithKline Consumer Healthcare at the recent British Society of Dental Hygiene & Therapy (BSDHT) Conference and Exhibition in Liverpool.

The Biotine range of products has been specifically developed for patients with dry mouth and can be recommended for daily use. Biotine Oralbalance Saliva Replacement Gel offers long lasting drying mouth relief, soothes and provides lubrication and moisture for dry mouth sufferers.

Satisfaction Guaranteed

Wearing high quality loupes and lights is one of the best ways to gain a greater degree of precision and provide patients with a superior level of treatment. Immediate procedures will become easier and less stressful to perform.

Evident, the leading supplier of loupes and lighting in the UK, supply high quality Examentum™ loupes and lights, backed by their highly trained and experienced team, including dispensing opticians. The ONYX™ range includes the prestigious ‘red dot Design Award, Examentum’ loupes come in a range of styles and magnifications. The ONYX™ is a lightweight, comfortable and stylish, with short well-balanced oculars even in higher magnifications.

Loupes mounted light is the perfect partner and can make a huge difference in achieving the best possible view of the mouth. Perfectly positioned between the eyes, such a system provides light in exactly the right place, when and where you need it. Without the need to constantly correct your position, change the angle of your mirror, or move your overhead light.

It couldn’t be easier to get your hands on these great styles, just visit www.grahamegardner.co.uk or call on 0116 255 6326.

Plan to go digital with Plandent!

100 Capsules for the price of 10!

Buy 60 Diamond Rapid Set Capsules before the end of February and get 40 Diamond Rapid Set Capsules Free of Charge.

Diamond Rapid Set Capsules are used to perform non-load bearing class 1 and II restorations, together with procedures for deciduous teeth. They are a unique technique and core build-ups. These Capsules are often used for a long term temporary occlusal protection of a tooth.

Diamond Rapid Set Capsules are “waterproof” with a chemical set up that adheres to both enamel and dentine without the need for any preparation of the tooth surface or light curing. The chemical set renders the material resistant to saliva almost immediately. The possibility of any contamination from moisture is eliminated ensuring that the strength and durability of the restoration are maintained.

Roger Gullidge Design

Roger Gullidge Design is an Architectural Design Services company that specialises in the dental sector. Offering a range of services which support the creation and development of new builds and refurbished dental practices, Roger Gullidge Design brings a comprehensive and professional approach to any project, with services ranging from design to concept feasibility.

Dr Paul Helli, Principal Dentist at Knowle Smile Spain-Solihull says: “By liaising very closely with Solihull Council, Roger Gullidge and his team were able to sort out the building applications for me. Their design for the practice was just what I was looking for and after I approved it we went forward and spoke with the council to make sure it all got approved. Their service was very professional and they knew exactly what they were doing”.

For more information, please contact Penny Parry of UMD Professional at an awards ceremony in London this month.

More than 50 managers achieved an Institute of Leadership & Management (ILM) qualification in 2012 and underwnted the same weather, many then travelled to London to receive their certificates from Charles Eltis, Chief Executive of the ILM. The managers were joined by several dentists who were also presented with their Diplomas. These included Dr Martin Delahay who is the first dentist to achieve the ILM Level 1 Diploma in Strategic Leadership and Executive Management.

UMD Professional currently has grants available for their regional qualification courses. For more information, please contact Penny Parry of UMD Professional on 020 8215 2770.

Dr Roger Gullidge

Dental practice managers and dentists from all over the UK collaborated and achieving a nationally recognised management diploma with UMD Professional at an awards ceremony in London this month.
