- **Oral-B**

  - **The innovation of Oral-B Pro-Expert toothpaste lies in the synergy of the combination of the two main ingredients which provide the united strengths of stannous fluoride's antimicrobial properties and polyphosphate as a gentle cleaning agent to inhibit calculus and stains.**

  - **The macro texture of Oral-B Pro-Expert adds the finishing touch for a gentle brushing experience.**

  - **The Oral-B Pro-Expert toothpaste is available in three different strengths, medium to hard, for a variety of dental needs.**

  - **Shines a light on EU Compliance Act**

  - **Tooth whitening**

  - **Intenz combined kit, using 6% hydrogen peroxide for in-surgery and 10% carbamide peroxide for home use, to conform to the new whitening regulations, for in-surgery it comes as 6% gel syringes or in a powder form which is mixed by the clinician.**

- **Visit Healthcare Learning: Smile-on - Stand B33!**

  - **Widely recognised as a leading provider for online learning and education, Healthcare Learning: Smile-on will be exhibiting all their qualifications and programmes at The Dentistry Show 2013. The expert team will be on hand to provide delegates with all the information they need to develop their careers. In addition, Healthcare Learning: Smile-on will also be working in partnership with TheDentistryShow to provide an Academy conference on the first day of the Show. Created specifically for tomorrow’s leaders, the conference will offer insight into the latest clinical and professional thinking in the industry, providing the knowledge and inspiration young dentists need to fuel their aspirations. Those in attendance will be in a chance to win a trip to Adelaide in each of the five sessions, in addition we will be offering access to a wealth of learning resources, exclusive offers and promotions and discount tickets for the Heart****

- **Visit Planter’s Stand L19 for exhibition special offers. Alternatively, call Planter’s on Freephone 0800 150 500.**
