Don't miss the 4th International Congress on 3-D Dental Imaging, held this year in La Jolla, Calif. Visit www.3-catijd.com for details on registration and the full program. Dental professionals can gain a new understanding of how technology is changing the field, and how they can take advantage of new imaging tools and techniques. The event will feature presentations by leading experts in the field, as well as hands-on workshops and demonstrations. Attendees will have the opportunity to network with other professionals and learn about the latest developments in 3-D imaging technology. Don’t miss this chance to stay ahead of the curve in dental imaging and treatment planning! Register today and be a part of the future of dentistry.
