## BEAUTY & SCIENCE

# Dental Tribune International

cosmetic dentistry—beauty & science

*Cosmetic dentistry—beauty & science* is the first choice of practitioners seeking expert advice in esthetic dentistry. The magazine features articles, clinical cases, interviews and industry reports on the latest technology, materials, and techniques, giving readers the knowledge and skills achieve outstanding esthetic results. Additional editorials include product news, events, business, and lifestyle.

Supported by a distinguished advisory board, *cosmetic dentistry* is the official publication of the Asian Academy of Aesthetic Dentistry, the South Asian Academy of Aesthetic Dentistry, the MiCD (minimally invasive cosmetic dentistry) Global Academy and the European Society of Cosmetic Dentistry.

The annual edition of *cosmetic dentistry* has a **print distribution of 10,000** copies, with **additional digital reach** from e-paper sub-

scriptions via the Dental Tribune website, e-newsletters and social media channels.

In addition, the magazine is distributed free of charge at major international congresses and exhibitions as well as specialty-specific events targeting dental professionals specializing in esthetic dentistry. At upcoming online and virtual events, an e-paper version will be made available to registered participants.

Clients may submit PR or product news texts to complement their advertising in *cosmetic dentistry*. Submission of clinical articles and case studies is limited and subject to review and approval by the managing editor.

Regional editions of cosmetic dentistry are available in China (*cosmetic & implants*), Germany, Poland and Turkey.
